Amendment

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

Please amend the above-referenced reissue application as follows:

In the Specification:

In column 5, line 60, delete "cutouts 74".

In the Claims:

In claim 1, lines 6, 10, 14; and in claim 13, line 2, replace "narrowed" with
--narrow--.

Remarks

By this amendment, minor informalities in the specification and claims have been corrected. Additionally, Applicants are submitting herewith a supplemental declaration under 37 C.F.R. § 1.175, and in accordance with M.P.E.P. § 1444, which discusses these corrections. The supplemental declaration also provides support for each and every change made in the original '103 patent. These changes were discussed generally in the declaration that was originally filed with the reissue application.

A copy of this amendment is being submitted to Stanley M. Urynowicz, Jr., Administrative Patent Judge in Interference No. 103,228. Applicants are a
